OF WOBURN**

The **Kick in for Kids Corporate Team Building Challenge** offers companies an excellent opportunity to offer team building, good natured competition, and most importantly, a fun day for all.

The goal of the Corporate Team Building Challenge is to encourage a healthy and active lifestyle. This event is for everyone! No matter your pace, skill level or event (3 mile Health Walk or 5K Road Race), the event can help build relationships while having a great time. All of the proceeds from the event will support a great, locally based non-profit organization, the James L. McKeown Boys & Girls Club of Woburn.

Event: Sunday, May 6, 2018 - 3 Mile Health Walk or 5K Road Race around picturesque Horn Pond, the gem of Woburn's landscape

Eligibility: Each team shall consist of a minimum of three (3) members. Any company, profit or non-profit, can create a team to compete in the event. All full or part-time employees are eligible for the event.

Registration: Team members must be individually registered for the event with the team name stated on the bottom of the registration form. The deadline for team registration is Wednesday, April 25, 2018.

Scoring: The three fastest chip times of each team for the road race will be added together to create the total team finish time.

Awards: The first place team will have their name engraved on a perpetual trophy that will be on display at the James L. McKeown Boys & Girls Club. Also, inscribed plaques will be awarded to the first, second, and third place teams and the team with the most members.

Corporate Sponsorships are available!
