

## APPLIANCE, FREON, CRT & ELECTRONICS RECYCLING COLLECTION

### Benefitting the James L. McKeown Boys & Girls Club of Woburn

**SATURDAY, October 17th from 9 AM to 1 PM**

**We're Back!** Medeiros Crew Recycling will once again be holding appliance, Freon, CRT and electronics recycling drives. We'll start back on **Saturday, October 17, 2020 from 9 to 1** at the Spence Farm property located at **41 Wyman Street in Woburn.**

**For the health and safety of all, masks will be required to be worn by both customers and volunteers during the collection. Thank you!**

This is an excellent opportunity to recycle these items at a minimal cost, while supporting a local group or organization each month. There is a significant cost savings compared to the higher cost associated with curbside appliance recycling programs. In Woburn, the cost for curbside pick-up of many of these items has increased once again in 2020.

**The drop-off recycling drives at Spence Farm are open to residents and businesses from all communities, not just Woburn.**

With your support, over the years these collections have raised over \$150,000 for local non-profit organizations, as well as donations to the Woburn Memorial High School Scholarship Fund. So, clean out those basements, attics, garages and warehouses and bring your items to the next drive on **October 17th!** The collection will benefit the **James L. McKeown Boys & Girls Club of Woburn to be used for their many projects, programs and activities.**

#### Price Comparison Chart

Item	Medeiros Crew Drop-off Price	Woburn Curbside Pick-Up Price
Wood/Projection/Console TV	<b>\$30.00</b>	\$50.00
Televisions below 24"	<b>\$20.00</b>	\$50.00
