

**JAMES L. McKEOWN
BOYS & GIRLS CLUB
OF WOBURN**

The James L. McKeown Boys & Girls Club of Woburn is a nonprofit youth development organization. Each year, the Club serves more than 1,400 registered members from Woburn and 20 other communities. The Club's mission is to inspire youth to find their greatness. We do this through a variety of programs and activities. All fees are kept very low so that all youth and teenagers, especially those who need us most, are able to participate.

Fun, affordable, afterschool care for children in grades K through 5.

- **Hurld-Wyman Elementary School**
- **Linscott Elementary School**

Licensed by the Massachusetts Department of Early Education and Care

About the Program

At Project Learn our objective is to provide a fun, safe and positive environment for children. Our teachers support and encourage building upon:

- The development of a healthy sense of independence and self motivation.
- Problem solving and coping skills.
- The ability to establish positive and rewarding relationships with children and adults.

Each day children are provided opportunities to create, explore, socialize, exercise and more!

Our program will be open on many early release days in coordination with the Woburn Public Schools. Please refer to the parent handbook for a list of scheduled closures.

Registration & Tuition

Enrollment is limited and takes place on a first come, first served basis.

A \$50.00 registration fee is due at the time of registration in order to hold your spot.

Monthly Tuition

5 days/week: \$375 4 days/week: \$350
3 days/week: \$300 2 days/week: \$200

Note that there is a 2 day minimum.

Note that there is a required 30 day written notice when changing your schedule.

*Childcare vouchers **are** accepted from those families who qualify.*

About Our Staff

Project Learn is proud of its caring and energetic staff. All staff participate in a selective interview process that includes CORI, DCF, SORI and fingerprinting background checks. Additionally, each staff member is trained in both CPR and first aid. They are role models who receive ongoing training in the areas of child development, behavior management and program planning.

“We moved to this community a little over a year ago and expected a difficult transition for such young children. But, with the Project Learn program, their adjustment has felt seamless and they adore their instructors and activities.

They come home singing songs, showing off their art, their grades have improved & their attention levels are noticeably better. We couldn't be more thrilled!”

What We Do

Project Learn has been intentionally designed by the Boys & Girls Club to best serve the needs of our students. The Club maintains an excellent relationship and ongoing communication with the Woburn Public Schools personnel.

Sample Daily Schedule

2:40 Dismissal/Snack/Free Play

Children meet their Project Learn teachers in the school cafeteria to check in and are provided with a healthy snack. This time is also used for children to unwind and play after finishing a busy school day.

3:15 Outside/Gym

It's important to us that each child gets regular exercise either outside or in the gym.

4:15 Daily Activity

Each day brings something new. Science experiments, art projects and even community service are all part of the fun.

4:45 Homework Support

Children will receive individual assistance with daily assignments. For those who want to attend, homework support will take place in a quiet space until 5:30.

5:00 Free Play

Children are given another opportunity to make choices independently or with friends.

5:30 Clean Up & Dismissal

All students must be picked up before 5:45 p.m. each day.
