

Timothy M. Padulsky Memorial Scholarship

Timothy Padulsky was a member of the Boys and Girls Club community during middle and high school. He met lifelong friends through his participation in the swim team, the Keystone Club and as a junior staff employee. Timothy graduated valedictorian from Woburn Memorial High School in 2005 and went on to Boston College where he studied in the Carroll School of Management. Tim never ceased to amaze those around him with his positivity and desire to make others laugh.

Timothy was diagnosed with leukemia in 2006 while he was a Boston College student. Even through his struggle with the disease, he never lost his optimistic attitude and bright personality. Although he passed away on September 14, 2008, his legacy lives on through the happy memories he shared with his family and friends and this scholarship, which his family awards to a Boys and Girls Club member who shares Tim's love of learning, dedication to service, and commitment to helping others. The recipient of this scholarship will receive \$2,024 to help in furthering his/her education to the college or university of his/her choice.

The scholarship will be awarded at **the James L. McKeown Boys and Girls Club Awards Ceremony** on Monday, May 13, 2024.
