

JAMES L. MCKEOWN BOYS & GIRLS CLUB OF WOBURN

A.C.E. TEEN SUMMER

Calling all current 9th, 10th, and 11th graders! Come join us at the Club for the Advancing Career Exploration (A.C.E.) teen program this summer!

CAREER EXPLORATION

Members of the A.C.E. Teen Summer Program will get the chance to explore interests and passions through career exploration curriculum. Members will also get exposure to real world work opportunities with off-site field trips!

PROGRAM INFO:

\$125 fee*

*financial assistance available

July 8th–August 9th

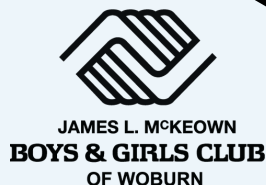

current 9th, 10th or 11th grade students
in the 2023–2024 school year

LIFE SKILLS

Members will not only develop employability skills, but will also engage in life skills activities to set them up for future success!

Contact Claire,
Clubhouse Program Director
c.duke@bgcwoburn.org
with any questions!

SUMMER CAMP

Members will also enjoy typical summer camp activities, with social recreation opportunities, physical fitness, and aquatics programs!!

JAMES L. MCKEOWN BOYS & GIRLS CLUB OF WOBURN

A.C.E. TEEN SUMMER

Your teen is invited to join us this summer for the Advancing Career Exploration (A.C.E.) Teen Summer Program! This five week program allows members to explore various vocations, learn job skills, gain important life skills, and so much more! Members must be a current 9th, 10th or 11th grade student during the 2023-2024 school year.

The program will run July 8, 2024-August 9, 2024
Monday-Friday, 10:00 a.m.-6:00 p.m.

A.C.E. Registration can be found in the [MyClubHub Parent Portal](#)

There is a \$125 commitment fee. In order for members to get the most of the A.C.E. program, we ask all members to be present all days and cannot accommodate late drop offs or early pickups. We understand prior commitments, but ask those be communicated at the start of the program to ensure this program is a good fit. We have limited spaces available, so please be mindful of taking a spot.

The A.C.E. programs aims to help members explore their futures through career exploration and development, employability skills, financial curricula, life skills, and visiting real world work opportunities. Members will also get to enjoy traditional summer camp activities, including social recreation, physical fitness, and aquatics programs!

Please contact Claire Duke, Clubhouse Program Director with any questions
