

## APPLIANCE, FREON, CRT & ELECTRONICS RECYCLING COLLECTION

**Benefitting James L. McKeown Boys & Girls Club of Woburn**

**SATURDAY, April 18, 2026 from 9 AM to 1 PM**

The Medeiros Crew Recycling group is once again conducting appliance, Freon, CRT, and electronics recycling drives. The next event is on **Saturday, April 18, 2026 from 9 to 1** at the Spence Farm property located at **41 Wyman Street in Woburn.**

This is an excellent opportunity to recycle these items at a minimal cost, while supporting a local group or organization each month. There is a significant cost savings compared to the higher cost associated with curbside appliance recycling programs.

In Woburn, the cost for curbside pick-up of these items has increased yet again in 2026. Simply bring your items to us in your vehicle and we will get them out of your vehicle!

**The drop-off recycling drives at Spence Farm are open to residents and businesses from all communities, not just Woburn.**

With your support, over the years these collections have raised tens of thousands of dollars for local non-profit organizations, as well as thousands of dollars in donations to the Woburn Memorial High School Scholarship Fund. So, clean out those basements, attics, garages, and warehouses and bring your items to the next drive on **Saturday, April 18, 2026** to support the many projects and programs of **James L. McKeown Boys & Girls Club of Woburn**

**.Please Note:** Payment is Cash or Check only (sorry no credit cards or venmo)

### Price Comparison Chart
